Since this cannot be an isolated problem in the industry, I hope someone who has dealt with the problem can enlighten meI needed instruction on how to navigate websites, I would have posted a question entitled 'How do I Hover My Mouse Over the Support Link and Search for Things and Stuff'You know, my limited experiences with Live Chat have not been that fruitful. Also, I had some Adobe product page up, but tabbed, and suddenly the Live Chat on that hidden tab kicked in. Scared the heck out of me, when a voice started coming out of my speakers! I did not know if I had contracted a diabolical talking virus, or if the laptop was hauntedmight be some great uses for it, but I have yet to find themthat Monday, about 10:00AM PDT brings you some helpful responseshave not found that other On Location post that I saw.
