This is my livelihood, my job, and how I going to take care of my family. Description: After accumulating two decades worth of working knowledge in some of football's most accomplished passing systems, Coach Gonzalez delivers an apparatus that concentrates that knowledge. Teaching and coaching pass offense has never been made more simple, direct, or multiple, as Gonzalez has created a language that can be installed at any level, and streamlines even the most advanced pass concepts. A former Division 1 player and collegiate offensive coordinator. Dan Gonzalez once again blends his working knowledge of the West Coast, Run and Shoot, connor harris jersey and Spread No Huddle offenses, and distills the teaching of virtually any passing game into just three "Advantage Principles" and three "Read Concepts." Furthermore, the simplicity of the system is such that it can be taught to players of any age, giving an excellent springboard to beginning players or coaches.

Garnett decided not to go to college although he was the most highly sought after basketball player that year, and if his test scores were high enough, could attend almost any college through a scholarship. This decision took him to the NBA draft in 1995, where the Minnesota Timberwolves selected him in the first round. The T Wolves later signed an extension for six years for almost 21 million a year.
