While NFL teams all have the same amount of money to spend, the are all capped as well. There is therefore value to an analysis that could possibly maximize total roster talent within the salary cap as opposed to having a couple big money free agents sucking up a huge amount of the cap. As the article says, NFL player performance is much more dependent on the function of the whole group as opposed to individual performance.

Wow, I say the posts on here jalin marshall jersey are moronic but that would be an insult to every moron in the world. The Patriots should lose every draft pick and be banished from the NFL because 2 players who are not only drug addicts but 1 strike away from a year long suspension have to be telling the truth. I mean the fact that Talib left games holding his hip on numerous occasions and Brandon Spikes, a guy that every guy on the team despised (like everywhere he been) can walk off the field against Buffalo in the season finale but I sure it wasn his knee it was his elbow, have to be telling the truth.
