Semantic environment is governed by tactics, not tact. We craft messages that work that perform their desired function. We are instrumental, strategic communicators. Robert Greenwald uses a strong appeal to ethos, a slippery road argument, and a text track to bring morris claiborne jersey attention to his audience about Wal Mart. He establishes his argument by first presenting a claim made by the Wal Mart CEO Lee Scott and then showing the contrary to that claim with many examples from real people. Through these arguments the audience can determine that Wal Mart is simply a bad company and they should stop spending their money there.
