In an attempt to play every angle possible, retailers poured money into new mobile capabilities this year by adding WiFi to key stores, expanding mobile application offerings, and optimizing Web sites for easier transactions from small screens. These investments in mobile paid off, driving customers to use their smartphones and tablets more this year. Over the two shopping days of Nov.

As do many sluggers, Upton has a propensity to strike out a great deal. And we would be wrong to omit his transaction history. His immense talent notwithstanding, Upton has already been traded multiple times. Right now folks are pretty excited because it was just announced that attendees will be given a free Acer multitouch laptop. Big applause. Steven just wrapped, and Scott Guthrie of Silverlight is on stage.
