Without automation, you do not have self service and providing self service is one of the most compelling and cited reasons for a private cloud. Self service does not refer to entering information in a portal that in turn creates a work ticket or assignment for an administrator to create virtual machines for the requestor. Self service must be driven by automation to meet the requestors needs without any further human interaction.

On a related note, how many that are crying about Kaep or Lynch are still flying their confederate flags? I would guess it is many of the same people. They claim they have the right to fly breno giacomini jersey the confederate flag, which was for a group that tried to secede from the US (while not respecting the US flag at the time). How do you reconcile arguing for your right to fly the confederate flag while complaining that others do not have their right to sit or kneel during the anthem?
