By 2030, the world will be more complicated, divided between a broad American sphere of influence in Europe, the Middle East and south Asia, and a Chinese sphere in east Asia and Africa. Even within its own sphere, the US will face new challenges from former peripheries. The large, educated populations of Poland, Turkey, Brazil and their neighbours will come into their own and Russia will continue its revival.

"Every day some of the best defencemen in the country have to practice against some of the best forwards in the country. We get competitive kids. No one is guaranteed anything. They planned to play at Arizona State University's Sun Devil Stadium in Tempe on a temporary basis while a new stadium was being built. Unfortunately for the Cardinals, the savings and loan crisis derailed financing for the stadium, forcing the Cardinals to play at Arizona State for 18 years. In defiance of all geographic reality, the Cardinals remained in the NFC East.
