On the other hand, Hall of Fame coach Gus Dorais told the United Press that "Eddie Cochems of the St. Louis University team of 1906 07 08 deserves the full credit."[14] Writing in Collier's more than 20 years earlier, Dorais' Notre Dame teammate Knute Rockne acknowledged Cochems as the early leader in the use of the pass, observing, "One would have thought that so effective a play would have been instantly copied and become the vogue. The East, however, had not learned much or cared much about Midwest and Western football.

Mainly African Americans made contributions to sports in the early 20th century, despite being excluded from white teams. In my term paper I will start with the exclusion of black players from white baseball, which led to the creation of a separate Negro National League in 1920. The racial segregation that prevented African Americas from playing baseball in the National League dennis byrd jersey until 1947 has been replaced by the enormous successes of African Americans in all fields of sport.
