Obviously, the PFT crowd are not Scientists by trade. These tests are done by simple reagent kits and be beat a very small percentage of times. However, I am betting the league has deeper pockets and can go chemical analysis gas chromatography. The offense did not win this game, the defense did all the way. To Hold the Falcons to 17 points in the entire game (0 in the 2nd half), is astounding, especially the way that the offense was running. Tankersley is quietly becoming a draft day steal in the 3rd.

Throughout the history of female athletics merging with male sports organizations has not always been a pleasant experience. In 1982 the AIAW merged with the NCAA, despite the NCAA fighting tooth and nail to try and find ways out of Title IX, an act of Congress that required Universities to provide equal funding for women's athletics. The NCAA did everything they could to stop the equal funding but finally gave in during the 1990's.
