McMahon suffered a concussion during the spot where Angle was supposed to belly to belly suplex McMahon through a panel of breakaway glass. It was the spot of the match, the holy shit moment fans paid for, only it didn go according to plan, which, in a perverse train wreck kind of way always makes for an even greater holy shit moment in prowrestling. McMahon bounced off the glass smashing his head onto the concrete floor.

The T swept college and pro football. The T was the first offense in which the quarterback took the snap from under center and then either handed off or dropped back to pass.[4] Other offenses used the QB (usually called the "blocking back") primarily brent qvale jersey as a blocker and the snap usually went to a halfback or tailback.[5] The quarterback under center makes offenses very unpredictable since it is difficult to predict the play called based on formation alone. Second, the T allowed running backs to receive the hand off from the quarterback and hit the "hole" at near full speed.[6] This allowed more complex blocking schemes and gave offenses a temporary, but significant advantage.
