All they need is a couple of six packs of beer a night and a nice looking ring rat with a good body. Or, drugs and a ring rat. Its not the money. Madden NFL 13 is an American football video game based on the National Football League, published by EA Sports and developed by EA Tiburon. EA's Chief Creative Officer, Richard Hilleman, said that defense would receive various changes in mechanics and controls, one of the first known changes in the game.[6] Part of the Madden NFL series, the game was released in 2012. For the first time in the series, the game was officially released in Brazil, due to the explosive growth of the sport in the country.[citation needed] This was the last Madden game released on the Wii, the first and only to be released on the Wii U, and the final in the series to be available for non mobile handhelds and Nintendo systems.
