Definition of the Caribbean RegionThis describes the area washed by the Caribbean Sea and is often described as the Caribbean Basin. It would therefore include most of the islands of the Lesser Antilles, Greater Antilles as well as the mainland territories in Central America (Costa Rica, Belize, Panama, Honduras) and Northern South America such as Columbia and Venezuela. This refers to all the territories so that one way of defining the Caribbean is to identify those countries that experienced the rule of specific European countries.

All professional athletes when first drafted are paid on potential, That all there is to evaluate them by. So, to say that your going to pay them all the same and expect that will make them more responsible or cause them to revert back to that child hood love for the game, is laughable. I also felt like the NFL should have been the sport discussed.

51. Mitchell Brown, RHP, Century HS (Minn.): It's not uncommon for

players who play in colder climates to be late risers, as scouts don't get to see them until the weather changes. That definitely has been the case for Brown this spring. Skimbo, looking rough in the first half offensively, needing one drive to secure a spot at the Super Bowl in the Final 4 and at least \$20,000 would test the Young Kiv defense as he had all game. A huge dropped INT by the Young Kiv secondary would breathe life into Skimbo. One play later, Aaron Rodgers would find Randy Moss for a 40 yard gain into field goal range.
