In fact, the rules and equipment changes over the years have done just that for college and NFL players.

My view of it is not the majority based on the previous comments but it looks pretty clear to me that 55 hit him the receiver high and in the helmet. The receiver is looking back to the QB and not able to defend himself from the blindside hit that is about to happen. VB then hits him high, and hits the very top of the receiver shoulder pads and their helmets collide.

To fix both the memory and performance issues I switched to the use of a multithreading trick I read once somewhere (I'm sorry, I cannot find the related post anymore). Now I call a function that reads and processes a chunk of the file in a new thread. Once the thread ends, the memory is automatically freed without the strange performance issue.

Yes, it seems like Buxton has been at the top of this and other lists forever. And yes, at 129 at bats, he's going to graduate off soon. ben ijalana jersey But Buxton still has the most exciting set of all around tools among all prospects.
