Team needs: Entering the 2010 NBA Draft and free agency, the Wizards' biggest need is depth. With five players under contract heading into the off season, the Wizards will look to build on their talented and youthful team by taking the proverbial "best player available." With a nucleus that includes two young athletic and talented frontcourt players, Andray Blatche and JaVale McGee, two emerging athletic wings, Nick Young and Al Thornton, and the return of three time All Star Gilbert Arenas, the Wizards have the ability to bolster a roster through the draft that screams talent and excitement. While most of the focus will be on where the Wizards fall in the lottery (the team has a 10.3 percent chance of receiving the first pick), the Wizards will also be able to strengthen their depth with a late first round pick and a high second round selection.

This is not to be confused with NFL Films Game of the Week, which aired on NFL Network each Friday night in 2006. That one hour program, which only used footage from NFL Films, has been canceled by the network, but aired on ION Television in 2007. In addition to the original Fox, CBS, NBC, ESPN, or NFL Network broadcast, NFL Replay shows camera angles of certain plays as captured by NFL Films, as well as sound from players and coaches before, during, and after each game..

Buckner doesn't want to be part of a losing environment, either, which is why he ultimately focused on his second best sport at IU. Football was better suited to his particular athletic talents. He was an all state defensive back in high school in Thornridge, Ill., so dominant that, according to Bob Knight's book, he led his conference in scoring on interceptions and punt and kickoff returns alone.
