The spread offense is an offensive scheme in American and Canadian football that is used at every level of the game including professional (NFL, CFL), college (NCAA, NAIA, CIS), and high school programs across the US and Canada. Spread offenses typically place the quarterback in the shotgun formation, and "spread" the defense horizontally using three, four, and even five receiver sets. Many spread offenses also employ a no huddle approach.

Here the question you all should ask yourselves: If Andy Dalton and Cam Newton switched teams, would the teams get better or worse? How ridiculous would Cam numbers be if he had AJ Green to throw to? Would Andy make Steve Smith look like an all pro again the way Cam has? I don think there ben ijalana jersey is any question that Cam with the Bengals would already be in the playoffs brian parker jersey instead of fighting for a spot. And a Panthers team with Dalton could very well be a winless team. Cam makes the players around him better.
