Michael Lewis' essay, "The Case Against Tipping", is an arguable topic that can really get you thinking. Ever wonder why people tip? It is an incentive to do so or it is out of kindness of their heart. After reading Lewis' essay, I have to say that he has never had experience working a job that relies heavily on tips for a salary.

Three years ago, Roger Bennett of Men in Blazers and Greg Kaplan, a University of Chicago economics professor, set out to study the effects of the pay to play system on American soccer. They compared the background of each US men's national team member from 1993 to 2013 to that of every NBA all star and NFL pro bowler over the same period, using socio economic data from their jamal adams jersey hometown zip codes. They found the jamal adams jersey soccer players came from communities that had higher incomes, education and employment rankings, and were whiter than the US average, while the basketball and football players came from places that ranked lower than average on those same indicators.

Development of a personal mission or vision statement. We use this statement in this seminar to emphasize that your time at the UW begins with dreams and visions you hold for the life that is still ahead of you. We ask you to write a mission statement that is reflective of who you are and what your sense of calling, purpose, vocation, or meaning of life.
