The result? NBA 2k slowly but surely overtook Live, and with out exclusive rights, I remember the stock quotes from NFL 2k5 vs Madden 05, Madden was out selling 2k 10 to 1 corey white jersey in the beginning, but by the end of the NFL season Madden was only out selling 2k 7 to 4. I am saying we were seeing the same pattern in consumer preference that we saw from the NBA games, but EA was able to save their Madden franchise with the exclusive deal. Survival of the fittest has finally been thwarted by the misused exclusive rights business practice.the league determined it would take the league license exclusive.

More of an athletic specimen playing basketball than a basketball

player with athletic components. Did not show much growth or development in his lone season at Kentucky. 1.5 shot blocks per game could have been higher for an athlete of his caliber..
