I sick of the guy. I have less of a concern of Goodell turning his sights

on other teams. I believe he is smart enough to know how close he has come to losing it all. In the Greek term for history is "historia", which stands for the knowledge acquired through investigation. We are living in a present world and we plan and we worry about the future. History however shamarko thomas jersey is the study of the past.

Employer has a right to stipulate terms of employment to their employees. Is it hard for people to understand this simple point? If I own a team I don want my employees to smoke weed, there is NOTHING wrong with me cutting that guy. BOTH sides have choices: As a player they should come off honest and say that I going to smoke weed because I feel it is my right and that owner has every right to say get out of here.
