Can stand the or most Stepford wife Patsie fans, bur Belichick is great. I hope he coaches forever. Really want to see how he does w/ another QB. Kyle Singler G/F Pistons: Singler is averaging over 35 MPG over the past month for the Pistons, so you know he will be on the floor most of the game; his 47.6 percent shooting from the field is pretty good for a player off the waiver wire who plays that many minutes at the SG position; his 1.5 steals a night over the past month certainly help. Now the bad: He has a propensity to score in single digits; his 3.8 rebounds and 1.2 assists aren't very sexy in fantasy basketball. I own Singler in a few leagues, so he is someone I recommend you give a look.
