First, there exists more passion in college football all around the sport. Passion cannot be measured in anyway but can be observed and understood by the fans, coaches, and sports community. Players care more about the game and less about money, while the fans have great passion for the university they attend or attended.

The image of a befuddled newspaper reader attempting to explain Einstein's theory to his companions became a set piece in the popular press. Loving Faster than Light focuses on the popular reception of relativity in Britain, demonstrating how abstract science came to be entangled with class politics, new media technology, changing sex relations, crime, cricket, and cinematography in the British imagination during the 1920s. Blending literary analysis with insights from the history of science, Katy Price reveals how cultural meanings for Einstein's relativity were negotiated in newspapers with differing political agendas, popular science magazines, pulp fiction adventure and romance stories, detective plots, and esoteric love poetry.

NFL teams roomed in skanky motels. They played on guts, painkillers, legal steroids, fury, and camaraderie. A decade later, Joe Montana's gleamingly efficient 49ers ushered in a new era: the corporate, scripted, multibillion dollar NFL we watch today.

Because groin injuries can be terrence brooks jersey nagging, I can't help but wonder if Hamonic will sit out Friday's game against the Montreal Canadiens, giving him a full week to recover before the Flames face the San Jose Sharks on Dec. 28 following a five day Christmas break. If Hamonic can't play on Friday, look for the Calgary to recall Rasmus Andersson from its AHL affiliate in Stockton.
