Funny, Beckham was close to having a 125 yard 2 TD stat line if it wasn for his huge drop when he blew right by him. Props to Norman for getting in his head and finding a way to slow him down. Not sure why he reacted to the extent that he did, that was dumb.

"Well being most improved" obviously means the biggest difference in performance, right? So fans picking teams that had solid/good/great defenses and saying they will be "the most improved" is kinda silly, no? That being said, being that the Bears had one of the worst defenses in the franchises history and being that we made a lot of changes on the defensive side of the ball and almost threw our entire draft at that side of the ball I say the Bears are in the race to be "the most improved" next season on defense. Will they be a top 5? Probably not. But, will they be leaps and bounds better? I really think so, and am willing to bet on it..

Smith has impressed with his pure hitting ability ever since the Mets made him the 11th overall jermaine kearse jersey choice in the 2013 Draft, though his power has been slow to develop. He's showing positive signs this season, however, batting.280/.339/.446 with a career high 10 homers. He had never hit more than two in a week before going deep four times in the last seven days, including twice on Saturday, and he tied Cozens for the Minor shamarko thomas jersey League lead with 30 total bases last week.

The Steelers are 12 2 all time at home in the Divisional Round of the playoffs, the best record in the league (min. Five games). Additionally, they are 5 1 at home in the postseason since the 2008 season, the second best record in the NFL in that time (min.

First base: No. 3 prospect Josh Bell's bat is ready, but the converted outfielder hasn't yet taken to first base any better than Alvarez so, again, adoption to the position will be james carpenter jersey a top Spring Training project. The 2011 second round Draft pick is a superior athlete, and there are fewer doubts that he will "get it" than there were with Alvarez.
