At the extremes, though, QBR is useful. If a quarterback is sixth in the league in QBR when he's not pressured but 29th in QBR when the defense is on him, I'm confident the game tape will back up the idea that he struggles more under pressure than most passers. If a quarterback is 10th in passer rating and 28th in QBR, I'm going to see whether there are mitigating factors that could be inflating his traditional stats.

OLB Junior Galette Galette still has the Redskins tattoo on his arm, but he might have to start calling it tat if the wants to get more playing time. He's still grateful that the Redskins stuck with him through two seasons lost to Achilles injuries. But he can read a mike pennel jersey depth chart and he knows that his playing time will be limited as long as Ryan Kerrigan and Preston Smith are around.
