The return of the Browns increased the number of teams to 31, the first time the league had played with an odd number of clubs since 1966. As a result, the NFL was forced to give at least one team a bye each week; Previously, barring extreme circumstances, a club never received a bye during the first two weeks or last seven weeks of the season. Under a new system, for ten weeks of the season (Week 1 to Week 2, and Week 10 to Week 17), one team was scheduled a bye; for seven weeks of the season (Week 3 to Week 9), three teams sat out.

This wesley johnson jersey case would been laughed out of court were it presented as an actual litigated matter. All the appeals court managed to do was to reinforce a clause in the contract between the league javarius leamon jersey and the players union which gives the worthless commissioner wide discretionary powers over disciplinary matters, so if anyone is to blame for this, the players union would be the prime culprit they allowed this to happen. If you look over the record of played discipline over the past few years, you see that it starting to affect other teams as well.
