We live in a fast paced world where today many excuses such as, "I do not have time to cook" or "I am too tired to cook," are used to not prepare our own meals and to refer to fast food restaurants instead. Between school, work, and friends, who has the actually time to sit down and enjoy a healthy, hearty meal? In recent years, there has been many positive and negative views towards grass fed and corn fed cattle. While both may seem to have their own pros and cons; ranging from beneficial nutrients, to cost efficiency, both contribute to the ecosystem but in their own ways.
