He will be greatly dissapointed once the season starts. A lot of people think he can turn the Raiders franchise around, but I doubt he will. Sorry Raider fans.. They, too, were an old line NFL franchise coming off many years in the doldrums. They had not been to the playoffs since winning their third NFL title in 1960, and had only notched two winning seasons in the 17 years since then. However, their fans were less inclined to be forgiving than Giants' fans.

"Only kneejerk drug warriors are still against hemp and every month that becomes increasingly more absurd," says David Bronner, CEO of Dr Bronner's, the popular health product company. Bronner positioned his company as an ardent backer of the cause. "I never dreamed the process of making it legal to grow hemp would take this long," he said..
