Description: This book explores the ideas of children and childhood, and the construct of the 'ideal' Victorian child, that developed rapidly over the Victorian era along with literacy and reading material for the emerging mass reading public. Children's Literature was one of the developing areas for publishers and readers alike, yet this did not stop the reading public from bringing home works not expressly intended for children and reading to their family. By examining some of Dickens's works that contain the imperfect child, and placing them alongside works by Kingsley, MacDonald, Stretton, Rossetti, and Nesbit, Malkovich considers the construction, romanticization, and socialization of the Victorian child within work read by and for children during the Victorian Era and early Edwardian period.
