BATTLE: Emmanuel Ogbah, Cleveland Browns One, the outside linebacker is good. Two, he about the only linebacker left on the roster after the Browns gutted the defence this off season, letting go of Karlos Dansby and Paul Kruger, among others. The defence has to accumulate some stats this season, and Ogbah will get more than his fair share as the No.

Calling around this week to glean what Marrone learned from his professional hiccup revealed a strong hesitation by those closest to Marrone to give any insight into the Buffalo situation. As unusual as it is to step away from an NFL coaching job, Marrone's situation turned even more bizarre when he failed to land another. (He was named the interim in Jacksonville last year before being named head coach).
