Chris Collins said. That not a strength of what a lot of our guys do. They good players, but when you have a guy like Bryant, he can break you down (off the dribble) he can play in pick and roll and obviously that a big element of what we do. Play each team in your division 2 times and then 2 teams from the other division. Top 3 teams make the playoffs. These cities kind of surrounds 2 3 major college markets each.

Any time the ball is loose, like it was in last night game, try to make sure everybody understands what they can do, what they can do. And of course once you get into the kicking game, you can multiply everything that happens on offense and defense exponentially because you not only have the possession plays, but then you have all the plays that happen when the ball is kicked, and those rules sometimes are, well they are different than plays of possession like a runner or a receiver or a returner who carrying the ball. There is the whole handling of the ball and the kick and did it cross the line of scrimmage and so forth and chris bordelon jersey so on.

He was diagnosed with having a heart condition for which he was given medicine for but told he would be able to keep playing basketball. I believe he said something to the affect that he didn feel the same on the court after taking his heart medication, that the medicine made him weaker or groggy. Slowly he began to take less and less after being diagnosed.
