Description: Designed for reluctant readers whether children or adults, the Spirals series has been expanded with 12 titles for 2003, including four non fiction titles. Dynamic plots and storylines encourage readers to pick them up again and again, while engaging themes and attractive cover designs aim to motivate readers. Short but substantial chapters give a sense of achievement in reading whole texts and a clear text design without illustrations and activities that may distract, encourages focus on reading and enables low achievers to improve at their own pace.
