Deferred gratification, or delayed gratification is the ability to resist the temptation for an immediate reward and wait for a later reward. Generally, delayed gratification is associated with resisting a smaller but more immediate reward in order to receive a larger or more enduring reward later. In a few words, replace the small rewards with a bigger but including some disciplines and sacrifice. The original experiment used children age three to seven as subjects but in different groups.

Despite the network's status at the time as the lowest rated of the three major broadcast networks, ABC was also reluctant to enter the risky venture. It was only after Rozelle used the threat of signing a deal with the independent Hughes Sports Network, an entity bankrolled by reclusive businessman Howard Hughes, did ABC sign a kony ealy jersey contract for the scheduled games. Speculation was that had Rozelle signed with Hughes, many ABC affiliates would have pre empted the network's Monday lineup in favor of the games, severely damaging potential ratings..

The song Love Changes, which was written by the late Skip Scarborough, is being promoted as a tune that reflects the power of love. It is about how love can change anyone's heart and create relationships that can last a long time. The song is about how people can grow their relationships with one another and keep people together.

Trick plays depart from these expectations, attempting to have the defense move into position to defend the wrong play. That player, the "receiver", attempts to move the ball forward past the line of scrimmage. If they are successful, the line moves forward to that point and the process continues through a series of "plays", eventually (ideally) to a touchdown.
