However, there are numerous hurdles for any MNC to overcome if they want to succeed in India. India has difficult trade policies, rules, and regulations, and the use of a foreign brand name is prohibited in India (Ulitin, 2013). Additionally, because of Pepsico's failure to live up to some of its promises to improve the economy as part of it being allowed to conduct business in India, Pepsico and other MNCs developed a reputation as organizations that cannot be trusted (Pepsi's entry into India...

There is a chance, though, that the Eagles do just fine with Foles under center. Think about this season's Vikings and how good they looked with Sam Bradford at quarterback against the Saints in Week 1. When Bradford went down and Case Keenum came in only to promptly produce a mediocre performance against the Steelers in his debut it was fair to wonder whether the Vikings were doomed to replacement level quarterback play for the remainder of the season..
